# PROPOSED 2 0 1 2 - 2 0 1 7 \$596 MILLION BCALD PROGRAM

ELECTION TO BE HELD MAY 12, 2012

INFORMATION GUIDE

# EARLY VOTING INFORMATION

# General Obligation Bond Election

April 30 - May 8, 2012

# The hours of early voting will be:

Monday, April 30 through Friday, May 4, 2012 8:00 a.m. to 6:00 p.m.

Saturday, May 5, 2012 10:00 a.m. to 6:00 p.m.

Sunday, May 6, 2012 12:00 noon to 6:00 p.m.

Monday, May 7 through Tuesday, May 8, 2012 8:00 a.m. to 8:00 p.m.

# Main Early Voting Location:

Bexar County Justice Center 300 Dolorosa

DEAFLINK available for hearing impaired

# **Bond Election Terminology Guide**

The following acronyms reflect organizations or terms used throughout this brochure:

**LF** = Leveraged Funding, meaning that the City anticipates participating with one or more non-City entities to share in the cost of completing the designated project.

In such a scenario, the City's share could be reduced or redirected if the designated project's scope is modified or its participant does not produce the full amount of funding promised or expected.

**MPO** = Metropolitan Planning Organization **TxDOT** = Texas Department of Transportation

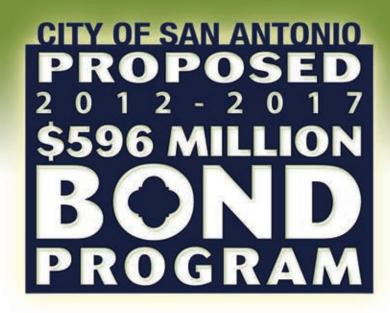

# In addition to the main early voting place, early voting will be conducted at the following locations:

Brookhollow Library 530 Heimer Road Claude Black Center 2805 East Commerce Cody Library
Administration Building 6634 New Sulphur
Springs Road

# Election day is Saturday, May 12, 2012 Vote at your local precinct

For more information contact the Bexar County Elections Administrator, Jacquelyn F. Callanen, at (210) 335-VOTE (8683)

Extensive public input was used in the development of the proposed 2012 – 2017 Bond Program. More than 800 residents attended public meetings convened by the four City Council appointed Community Bond Committees, and Committee members heard 165 public comments during the "citizens to be heard" portion of their meetings.

The Committees approved 135 projects to be considered by City Council and presented their recommendation on January 11, 2012. City Council approved 140 projects to be included in the election, which include more than 97 percent of the committee-recommended projects.

The \$596 million proposed bond program is divided into five propositions:

Streets, Bridges & Sidewalks Improvements – 41 projects – \$337.44 million

Drainage & Flood Control Improvements – 17 projects – \$128.03 million

Parks, Recreation, & Open Space Improvements – 68 projects – \$87.15 million

Library, Museum, & Cultural Arts Facilities Improvements – 11 projects – \$29.03 million

Public Safety Facilities Improvements – 3 Projects – \$14.35 million

A City of San Antonio property tax rate increase is not recommended to fund the proposed 2012 – 2017 Bond Program. The City's current property tax rate is projected to be sufficient to fund the debt service payments for the program.

This Voters Information Guide includes the name, location, preliminary cost and a general summary description of each of the projects that comprise the \$596 million proposed bond program.

For more information, visit www.sanantonio.gov/2012bond or call Roland Martinez at (210) 207-1011

# City of San Antonio Proposed 2012-2017 Bond Program Frequently Asked Questions (FAQ)

# What is the total amount of the proposed 2012-2017 Bond Program?

The amount is \$596 million.

# Does the proposed program include a City property tax rate increase?

No. The proposed program does not include a planned increase in the City's property tax rate.

# What are the infrastructure categories and how would the funds be allocated?

The \$596 million program will be divided into five propositions:

Streets, Bridges & Sidewalks Improvements – 41 projects – \$337.44 million

Drainage & Flood Control Improvements – 17 projects – \$128.03 million

Parks, Recreation, & Open Space Improvements – 68 projects – \$87.15 million Library, Museum, & Cultural Arts Facilities Improvements – 11 projects – \$29.03 million

Public Safety Facilities Improvements – 3 Projects – \$14.35 million

# Does the proposed program include funding or projects for the VIA streetcar project?

No. The proposed 2012-2017 Bond Program does not include funding or projects for VIA's streetcar project.

# How were projects selected for recommendation to City Council for consideration?

San Antonio residents recommended their priority list of projects for the Bond Program. The four Community Bond Committees for the proposed 2012-2017 Bond Program each held five public meetings,

including a bus tour for each Committee, culminating with the community groups approving project recommendations for City Council's consideration. The Bond Committees approved 135 projects. Mayor Julián Castro and City Council appointed 128 community members to serve on four Bond Committees based on four original infrastructure categories - Streets / Bridges / Sidewalks, Drainage, Parks, and Facilities / Community Initiatives. The Mayor appointed Lila Cockrell, Tessa Martinez Pollack and Carri Baker Wells as tri-chairs. The committee format consisted of 2 cochairs for each committee appointed by the Mayor and 30 members per committee with each City Council member appointing three of the members for each committee. The committees finalized their list of recommended projects for City Council consideration. The process started with 131 staff recommendations and ended with 135 committee-recommended projects.

# Will there be citizen oversight of the bond program if and when it is approved?

Yes. A Citizens Bond Oversight Commission, which was established in 2003, will continue to monitor the progress of the proposed bond program.

### When is election day?

The election will be held on Saturday, May 12, 2012. Early voting will be from Monday, April 30, to Tuesday, May 8, 2012.

### What if I have other questions?

You may visit this web site – www.sanantonio.gov/ 2012Bond for more details or call Roland Martinez at (210) 207-1011.

# Streets, Bridges & Sidewalks Improvements

This proposition authorizes the City of San Antonio to issue bonds, the proceeds from which will be used to make permanent public improvements to streets, bridges and sidewalks, as well as other improvements necessary or related to the following, including, but not limited to: bicycle lanes, relocation of utilities, street lighting, technology improvements and signage and for the acquisition of lands and rights-of-way necessary for such purposes and for the acquiring and installing of public art related to these projects.

# 36th Street and Bangor Drive Intersection \$1,100,000

Reconstruct intersection at 36th and Bangor to include turn lanes. Install new traffic signal and new curbs and sidewalks along both sides of 36th.

# 36th Street Phase III B (Billy Mitchell Boulevard to General Hudnell Drive) LF \$6,000,000

Extends 36th through the Port San Antonio from Billy Mitchell to General Hudnell. This project continues earlier projects to create a trade corridor through the Port that will connect Highway 90 to IH 35.

# Bandera Road and Eckhert Road Intersection \$600,000

Reconstruct intersection with median modifications to improve left turn movements and extend existing turn lanes as needed.

# Bandera Road and Tezel Road Intersection \$400,000

Reconstruct intersection with dual left turn lanes and traffic lane modifications as needed.

Blanco Road Phase II
(Edison Drive to El
Monte Boulevard &
Olmos Creek to Jackson
Keller Road)
\$14,656,000
Reconstruct Blanco
between Edison and El
Monte, and between
Olmos Creek and Jackson
Keller with curbs, sidewalks, driveway approach-

es and necessary drainage and traffic-signal improvements. This is a continua-

tion of a 2007-2012 Bond Project in the same area.

Buena Vista Corridor (Frio Street to Santa Rosa Street) \$1,500,000

Improve pedestrian connectivity on Buena Vista between Frio and Santa Rosa. Aesthetic and lighting enhancements will be added as appropriate and within available funding.

# Bulverde Road and Classen Road Realignment \$2,000,000

Widen and realign Bulverde and Classen Roads south of Loop 1604. Road will be two lanes in each direction divided by a raised median, with curbs, sidewalks and bicycle lanes.

# Streets, Bridges & Sidewalks Improvements

# Callaghan Road (Evers Road to Centerview Drive) LF \$6,630,000

Reconstruct and widen Callaghan to four lanes with a continuous left-turn lane in some locations. Curbs, sidewalks, driveway approaches, traffic and drainage improvements added as needed. Cost reflects City of San Antonio contribution to a proposed federally funded project.

# César Chávez Corridor (Frio Street to Santa Rosa Street) \$1,400,000

Improve pedestrian connectivity on César Chávez between Frio and Santa Rosa. Aesthetic and lighting enhancements will be added as appropriate and within available funding.

# Cherry Street (Dawson Street to Milam Street) \$2,636,000

Reconstruct roadway with curbs, sidewalks, driveway approaches and underground drainage as required within available funding.

# Citywide Bridge Program \$23,462,000

Replace select existing deficient and deteriorated bridges and/or build new bridges within the City limits. City will pay costs associated with larger hydraulic capacity, right-of-way acquisition, utility adjustments, environmental due diligence and construction beyond each bridge.

# Commerce Corridor (Frio Street to Santa Rosa Street) \$1,500,000

Improve pedestrian connectivity on Commerce between Frio and Santa Rosa. Aesthetic and lighting enhancements will be added as appropriate and within available funding.

# Cupples Road (Merida Street to Castroville Road) \$6,504,000

Reconstruct and widen Cupples to four lanes. Curbs, sidewalks, driveway approaches, traffic and drainage improvements will be added as needed.

# District 1 Area Pedestrian Mobility & Street Improvements \$6,068,000

Construct pedestrian mobility and street-improvement projects.

# District 4 Area Pedestrian Mobility & Street Improvements \$690,000

Construct pedestrian mobility and street-improvement projects.

# Downtown Streets Reconstruction \$40,000,000

Reconstruction and/or realignment of Market Street, Bowie Street, Main Avenue, Soledad Street, Frio Street, Commerce Street, San Pedro Avenue, and Navarro Street to include pedestrian and bicycle connectivity as needed. This project does not contribute funding to the VIA Street Car Project.

# East Commerce (North Rio Grande to East Houston Street) \$7,455,000

Improve the East Commerce roadway, sidewalks and drainage as appropriate between Rio Grande to Houston.

# Espada Road (Loop 410 to East Ashley Road) \$6,000,000

Reconstruct and widen Espada from Loop 410 to East Ashley to include bike lanes, lighting, aesthetic enhancements and drainage improvements as needed.

# Frio City Road Sidewalks (Brazos Street to West Malone Avenue) \$5,000,000

Construct sidewalks and curbs along Frio City as appropriate and make necessary road improvements to support the project.

# Frio Street (Commerce Street to César Chávez Boulevard) \$1,700,000

Improve pedestrian connectivity on Frio between Commerce and César Chávez. Aesthetic and lighting enhancements will be added as appropriate and within available funding.

# Hardy Oak Boulevard (Stone Oak Parkway to Knights Cross Drive) \$8,800,000

Construct a new four-lane divided roadway from Stone Oak to Knights Cross with bicycle lanes, curbs, sidewalks, driveway approaches, traffic signal and drainage improvements as needed.

# Hausman Road (Loop 1604 to IH 10) LF \$30,000,000

Widen and reconstruct Hausman with additional travel lanes, curbs, sidewalks, bicycle lanes, traffic signal and drainage improvements as needed.

# HemisFair Park Area Streets Redevelopment LF \$15,000,000

Construct and reconfigure Dakota Street, North Street, South Street, Tower of the Americas Way, Indianola Street, Matagorda Street, Santa Clara Place, and Water Street within the HemisFair Park area. Includes bicycle and pedestrian connectivity as appropriate. This project does not contribute funding to the VIA Street Car Project.

# Higgins Road and Classen Road Intersection LF \$2,820,000

Install left-turn lanes at key intersections between Santa Gertrudis and Corian Springs Drive.

# Ingram Road (Culebra Road to Mabe Road) \$7,814,000

Reconstruct and widen Ingram to a four-lane roadway with bicycle facilities. Curbs, sidewalks, driveway approaches, traffic and drainage improvements will be added as needed.

# Marbach Road Phase II B (Meadow Way to Loop 410) \$5,301,000

Design and reconstruct Marbach from Meadow Way to Loop 410 with curbs, sidewalks, driveway approaches, underground drainage and other improvements as needed. This is the continuation of the 2007-2012 bond project named Marbach Road Phase II-A.

# Medical Center Intersection Improvements LF \$6,600,000

Continue to improve select intersections in the Medical Center Area. This is a continuation of cooperation with the Medical Center Alliance initiated with the 2007-2012 Bond Program.

# Peggy Drive Extension \$5,600,000

Construct a new roadway with drainage improvements as needed to provide neighborhood access to East Houston.

# Presa Ramps at Highway 90 LF \$7,000,000

Construct on Highway 90 at Presa an off ramp for eastbound Highway 90 traffic and an on ramp for westbound Highway 90 traffic. Cost reflects City of San Antonio contribution to a proposed federally funded project.

# Ray Ellison Boulevard (Loop 410 to Old Pearsall Road) \$22,200,000

Reconstruct Ray Ellison to four lanes, with curbs, sidewalks, bicycle facilities, driveway approaches, and necessary signal and drainage improvements.

# Streets, Bridges & Sidewalks Improvements

# Redland Road (Loop 1604 to Jones Maltsberger Road) \$10,039,000

Reconstruct and widen Redland with a continuous turn lane in sections with bike lanes, curbs, sidewalks, driveway approaches, traffic-signal improvements and drainage improvements as needed.

# Redland Road (Loop 1604 to Ridgewood Parkway) \$10,700,000

Reconstruct and widen Redland to five lanes with bike lanes, curbs, sidewalks, driveway approaches, traffic signal and drainage improvements as needed.

# Tezel Road (Culebra Road to Timber Path Road)

\$7,251,000

Widen Tezel to four lanes with curbs, bike lanes and a continuous two-way left-turn lane. Construct drainage improvements and add or replace sidewalks as needed.

# Theo Avenue & Malone Avenue Corridors \$14,195,000

Reconstruct to available funds the roadways with curbs, sidewalks, driveway approaches, lighting, bicycle lanes, drainage and traffic improvements as needed.

# U.S. 281 / Loop 1604 Northern Interchange LF \$30,000,000

Contribute funds for the construction of northern connector ramps at the U.S. 281 / Loop 1604 interchange that will complete all-direction connectivity between these roadways. TxDOT will be a partner in this project.

# Villaret Boulevard (Highway 16 to Zarzamora Street) LF \$3,700,000

Reconstruct Villaret with curbs, sidewalks, driveway approaches, bike lanes, traffic and drainage improvements as needed. This is a partnership project with Palo Alto College.

# West Huisache (Zarzamora Street to Kampmann Boulevard) \$4,170,000

Reconstruct the existing roadway with new curbs and sidewalks.

# West Magnolia (Lake Boulevard to Zarzamora Street) \$1,037,000

Construct new curbs, sidewalks and pedestrian enhancements.

# West Mistletoe (San Antonio Avenue to Zarzamora Street) \$1,640,000

Reconstruct the existing roadway with new curbs and sidewalks.

# West Vestal Place (Commercial Avenue to Pleasanton Road) \$3,932,000

Reconstruct West Vestal between Commercial and Pleasanton with curbs, sidewalks, driveway approaches and drainage improvements as needed to available funds.

# Wilson Boulevard (Club Drive to Donaldson Avenue) & Thespian Island \$1,000,000

Construct new sidewalk and curb on the west side of Wilson and construct center median. Provide intersection improvements at Thespian Island located at Kampmann and Donaldson.

# Public Art \$3,341,000

This bond proposition allocates funding for the construction, acquisition and development of public art and design enhancements related to the project. Within the Streets, Bridges & Sidewalks Proposition, \$3,341,000, is being designated for this purpose. Implementation of the program will adhere to City Council adopted ordinance that will include public involvement and close coordination with city departments. The goal of the program is to achieve a balance of public art throughout the city based on urban design and neighborhood planning recommendations.

# **Improvements**

This proposition authorizes the City of San Antonio to issue bonds, the proceeds from which will be used to provide drainage and flood water improvements and facilities to be used for the removal of and protection from harmful excesses water. This proposition also will provide for drainage or other stormwater improvements and for the acquisition of lands and rights-of-way necessary for such purposes and for the acquiring and installing public art related to these projects.

# Belfast and Janda Susan Area Drainage \$2,662,000

Construct to available funds a channel and underground storm drain system with street reconstruction to include curbs, sidewalks and driveway approaches as needed.

### Belford Area Drainage \$8,000,000

Construct drainage improvements in the Belford area. Projects will be chosen from those identified in a study funded by the 2007-2012 Bond savings.

# Elmendorf Lake Area LF \$1,500,000

Implementation of projects near Elmendorf Lake to reduce erosion and improve water quality in the lake area. This will be a City contribution to a cooperative project with Bexar County and the San Antonio River Authority.

# Goliad Road Drainage (SE Military Drive to Loop 410)

\$10,309,000

Construct drainage improvements along Goliad and reconstruct the roadway with curbs, sidewalks and driveway approaches as needed.

# Hausman Road Drainage (Loop 1604 to IH 10) LF \$13,500,000

Drainage funding component to widen and reconstruct Hausman. Drainage improvements to include an underground storm drain system.

# Indian Creek Channel Phase II \$6,499,000

Reconstruct portions of the Indian Creek Channel and upgrade the box culvert bridge at Ray Ellison to improve water conveyance.

# McCullough Avenue Area Drainage \$12,509,000

Design and construct storm drain systems and reconstruct the affected roadways to reduce the storm water runoff to the lower level of IH 35.

### Menger Creek Drainage \$6,526,000

Construct channel improvements from North Walters to Rio Grande and improve the Rio Grande crossing and the railroad crossing.

# Mountain View Estates Phase III Drainage \$3,000,000

Install drainage system that ties into an existing box culvert system on Rogers and outfalls into a tributary of Culebra Creek to resolve flooding issues in the Mountain View Estates area. Project will complement Phase I and II presently under design and funded via Regional Storm Water Facilities Fund.

# Drainage & Flood Control Improvements

# Mud Creek Tributary A Drainage \$2,000,000

Improve the existing channel and improve drainage to remove properties from the floodplain.

# Quail Creek Tributary Drainage \$4,949,000

Improve the drainage in Quail Creek in the vicinity of Loop 410 and northward with channel and bridge improvements.

# Redland Road Drainage (Loop 1604 to Ridgewood Parkway) \$10,700,000

Drainage funding component to reconstruct and widen Redland to five lanes with bike lanes, curbs, sidewalks, driveway approaches, traffic-signal improvements and drainage improvements as needed.

# Sapphire Drive and Flora Mae Drive (Billy Drive to Alfred Drive) \$5,373,000

Improve area drainage by installing a storm sewer system and the reconstruction of multiple roadways in the neighborhood with curbs, sidewalks and driveway approaches as needed.

# Seeling Channel Phase II Drainage \$24,606,000

Reconstruct Seeling Channel to west of St. Cloud and construct a detention pond to improve drainage and minimize flooding. This is a continuation of the Phase I project funded from the 2007-2012 Bond Program.

### Upper Woodlawn Drainage \$3,000,000

Construct drainage improvements in the Upper Woodlawn Lake area. Projects will be chosen from those identified in a study funded by 2007-2012 Bond savings.

# West Avenue Low Water Crossing \$6,630,000

Eliminate the low water crossing northeast of Nakoma and reconstruct the roadway as needed.

# Westwood Village Phase II \$5,000,000

Construct a detention basin west of Pinn adjacent to Westwood Village Creek to improve drainage. This project is a continuation of the Phase I project funded from the 2007-2012 Bond Program.

# Public Art \$1,268,000

This bond proposition allocates funding for the construction, acquisition and installation of public art and design enhancements as related to the projects. Within the Drainage & Flood Control Proposition, \$1,268,000, is being designated for this purpose. Implementation of the program will adhere to City Council adopted ordinance that will include public involvement and close coordination with city departments. The goal of the program is to achieve a balance of public art throughout the city based on urban design and neighborhood planning recommendations.

# **Open Space Improvements**

This proposition authorizes the City of San Antonio to issue bonds, the proceeds from which will be used to acquire, construct, equip, and renovate various park, recreation, and open space. This proposition also will provide park additions and for the acquisition of lands and rights of way necessary for such purposes, as well as for the acquiring and installing of public art related to these projects.

# 36th Street Park \$200,000

Initial development of a new park along 36th Street Corridor that may include land acquisition.

# Acme Park \$350,000

General park rehabilitation and improvements to include walking trail enhancements.

### Alamo Plaza \$1,000,000

General public plaza improvements.

# Beacon Hill Park \$450,000

Phase II expansion of the linear park development.

# Botanical Gardens LF \$1,200,000

Leveraged funding to possibly include a new Garden entry, educational facilities, and a Family Adventure Garden on expanded Garden footprint, from recent property acquisition.

# Brackenridge Park \$1,200,000

Development, improvement and rehabilitation of basic park infrastructure, possibly to include perimeter park identification as well as improvements along the N. St. Mary's Street corridor.

# Cathedral Park \$900,000

Phase II general park improvements, consistent with the park's Master Plan, for parking, trails, lighting and playground expansions.

# Coliseum Park \$175,000

General park improvements to include pavilion and security lighting development.

### Collins Garden Park \$500,000

General park improvements to include a restroom replacement.

# Comanche Lookout Park \$700,000

General park improvements to include trail rehabilitation.

# Copernicus Park \$300,000

General park improvements and rehabilitation to include parking expansion.

### Cuellar Park \$350,000

General park improvements consistent with the park's Master Plan.

# Dellview Park \$250,000

General park rehabilitation and improvements.

### District 3 Community Center \$6,000,000

Development of a multi-use Community
Center in Council District
3 with the flexibility to partner with outside sources for programming and management.

# Parks, Recreation & Open Space Improvements

# District 5 Senior Center LF

### \$1,750,000

Development of a multiuse Senior Center in Council District 5 to provide for multi-generational programming.

# District 10 Senior Center \$10,000,000

Development of a multiuse Senior Center in Council District 10 to provide for multi-generational programming.

# Elmendorf Park LF \$2,250,000

General park improvements to include the addition of basic park amenities complementary to City of San Antonio / Bexar County / San Antonio River Authority drainage improvements as well as Westside Creeks Restoration Projects.

# French Creek Park \$350,000

Phase I development of general park improvements.

### Gilbert Garza Park \$500,000

General park improvements to include development of swimming pool shade canopies.

### Gold Canyon Park \$1,000,000

Phase I general park improvements.

# Golden Community Park \$350,000

General park rehabilitation and improvements.

# Greater Mission Recreational Facility LF \$2,500,000

Development of a multiuse recreational facility with the flexibility to partner with outside sources for programming and management.

# Hardberger Park LF \$4,287,000

Continued development of the new Urban Ecology Center, based on the park's Master Plan, to possibly include a Gathering Hall, courtyard development, parking expansion and a trafficdeceleration lane from N.W. Military Highway.

### HemisFair Park LF \$15,000,000

Based on the park's Master Plan improvements include restoration of historic buildings, including the Magik Theatre, a civic park and the installation of a play structure, landscaping, and other improvements for an arts plaza/children's square.

# Heritage Duck Pond Park \$400,000

General park rehabilitation and improvements.

# Herrera Park \$200,000

General park rehabilitation and improvements.

### Highland Park \$450,000

General park and community center improvements and rehabilitation.

# Japanese Tea Gardens \$750,000

General facility improvements to include perimeter fencing and wall stabilization.

# Jim Mattox Park \$200,000

Phase II park improvements based on the park's Master Plan.

### Joe Ward Park \$350,000

General park improvements to include development of a splash pad at the park's swimming facility.

### Kenwood Park \$150,000

General park improvements, to possibly include basketball court renovations, playground shade and/or portable restroom enclosure development.

# Lady Bird Johnson Park \$1,600,000

General park improvements to include renovations to the Fisher Softball Complex, park entry improvements, and parking improvements.

# Lakeside Park \$250,000

General park rehabilitation and improvements.

# Lee's Creek Park \$200,000

General park improvements that may include an outdoor classroom and instructional elements.

### Levi Strauss Park \$350,000

General park rehabilitation and improvements.

# Lincoln Park \$200,000

Development, improvement and rehabilitation of basic park infrastructure to include walking trail development.

### Lone Star Recreational Facility LF \$1,850,000

Development of a recreational facility in the Lone Star neighborhood that may include land acquisition.

# Los Angeles Heights Park \$300,000

Basic park improvements to include playground development.

# Lou Kardon Park \$650,000

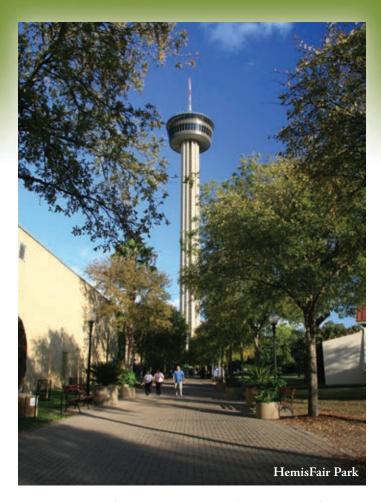

Rehabilitation of the walking trail and development of general park improvements.

# Mario Farias Park \$250,000

General park improvements.

# Martin Luther King Park \$2,000,000

General park rehabilitation and improvements to include site grading, entry and circulation enhancements.

# McAllister Park \$1,000,000

General park improvements to include trail system rehabilitation.

### Nani Falcone Park \$200,000

General park improvements to include parking expansion.

# New Territories Park \$350,000

General park improvements to include trail and security lighting.

# Normoyle Park \$500,000

General park improvements that may include a walking trail and softball field improvements.

# Northampton Park \$400,000

General park improvements to include walking trail development and parking expansion.

# Northwest Area Recreational Facility LF \$3,000,000

Potential public / private venture for the development of a recreational facility to service the northwest area of the city.

### Olmos Basin Park \$500,000

General park improvements to include security lighting, trail and parking amenities in proximity to the Jackson Keller and McCullough Avenue area.

### Oscar Perez Park \$350,000

General park improvements to include walking trail improvements.

### Palm Heights Park \$500,000

Rehabilitation and development of park infrastructure to include sidewalk repair, construction of a shade canopy structure, parking and roadway modifications, and other park amenities.

# Panther Springs Park \$2,500,000

General park improvements to include the development of a walking trail to the Parman Branch Library.

# Pearsall Park \$7,500,000

General park improvements consistent with the park's Master Plan.

### Pickwell Park \$300,000

General park rehabilitation to include walking trail upgrades and restroom renovations.

# Pittman-Sullivan Park \$650,000

General park improvements to include walking trail development.

### Pytel Park \$400,000

General park rehabilitation and improvements.

# Parks, Recreation & Open Space Improvements

# Raintree Park \$400,000

Phase II general park improvements.

# San Antonio Natatorium \$400,000

Rehabilitation of facility flooring, pool deck, roof ventilation, pool covers and facility infrastructure.

### San Pedro Springs Park \$1,075,000

Rehabilitation and development of park infrastructure to include walking trails, security and landscape lighting and park amenities.

### Scates Park \$350,000

General park improvements.

### Southside Lions Park \$750,000

General park improvements to include construction of a dog park.

### Stinson Park \$650,000

Rehabilitation and expansion of the San Antonio 5 Diamonds Little League complex.

### Stone Oak Park \$400,000

General park improvements to include trail development.

# Sunset Hills Park \$200,000

Development of aquatic facility improvements.

# Thunderbird Hills Park \$350,000

Land acquisition and initial development of a new city park in the area of Thunderbird Hills
Neighborhood.

# Tom Slick Creek Park \$375,000

General park improvements.

### Travis Park \$75,000

General park improvements that may include electrical enhancements.

# West End Park \$400,000

General park rehabilitation and improvements.

# Woodlawn Lake Park \$1,000,000

Development, improvement and rehabilitation of basic park infrastructure to possibly include improvements to the park's walking trail and east side playground area.

# Public Art \$863,000

This bond proposition allocates funding for the construction, acquisition and development of public art and design enhancements as related to the projects. Within the Parks, Recreation & Open Space Proposition, \$863,000, is being designated for this purpose. Implementation of the program will adhere to City Council adopted ordinance that will include public involvement and close coordination with city departments. The goal of the program is to achieve a balance of public art throughout the city based on urban design and neighborhood planning recommendations.

This proposition authorizes the City of San Antonio to issue bonds, the proceeds from which will be used to acquire, construct, improve, renovate and equip library, museums and cultural art facilities or other facilities. This proposition also would allow for the acquisition of lands and rights of way necessary to accomplish such purposes as well as the acquiring and installing public art related to these projects.

# Blue Star Arts Complex LF

### \$250,000

Leverage funding toward the Blue Star Arts Complex capital expansion master plan.

# Carver Cultural Center \$1,000,000

Improvements to include, but not limited to, parking lot expansion.

# Central Library \$4,000,000

Renovations, repairs, upgrades and space reconfiguration to the Central Library facility.

# Children's Museum LF \$3,000,000

Leverage funding for the Children's Museum relocation and expansion to increase its accessibility to San Antonio families and provide additional education programming to young children.

# District 2 New Branch Library LF \$6,000,000

Development of a branch library in Council District 2. There is a commitment for the donation of land for this project, as such funding does not include resources for the acquisition of land.

# District 6 New Library Site

### \$1,400,000

Development of a branch library site in Council District 6.

# District 9 New Branch Library \$7,000,000

# Guadalupe Cultural Arts Center LF \$845,000

Leverage funding for the renovations of the pharmacy building.

# Hangar 9 Museum LF \$250,000

Leverage funding for the restoration of historic hangar at Brooks City-Base.

# San Antonio Museum of Art LF \$1,000,000

Leverage funding for the relocation of the San Antonio Museum of Art's central physical plant.

### Witte Museum LF \$4,000,000

Leverage funding for major renovations and improvements to the Witte Museum complex.

# Public Art \$287,000

This bond proposition allocates funding for the construction, acquisition and development of public art and design enhancements as related to the project. Within the Library, Museum & Cultural Arts Facilities Proposition, \$287,000, is being designated for this purpose. Implementation of the program will adhere to City Council adopted ordinances that will include public involvement and close coordination with city departments. The goal of the program is to achieve a balance of public art throughout the city based on urban design and neighborhood planning recommendations.

# Public Safety Facilities Improvements

This proposition authorizes the City of San Antonio to issue bonds, the proceeds from which will be used to acquire, construct, improve, renovate and equip public safety facilities to include fire, police, Emergency Medical Services and animal care facilities. This proposition also will provide for the acquisition of lands and rights of way necessary to accomplish such purposes as well as the acquiring and installing of public art related to these projects.

# Fire Station 18 Replacement \$6,098,000

Construction of a new Fire Station 18 to replace the original Fire Station 18, built in 1957.
